

# TORONTO HAKKA CONFERENCE 2016

## Maps and List of HOTELS near Conference Venues

(Uptown Toronto)  
Hotel choices if you are a visitor to Toronto?

We are very excited to be planning the 5<sup>th</sup> Toronto Hakka Conference 2016! Our events are all in the north suburbs of the City of Toronto.

If you are a visitor (a tourist) to our vibrant City of Toronto, the following 2 Maps of Hotels nearby the Conference venues are provided merely as a guide of possible choices of hotels (includes brief description of amenities and their prices as found on search engines and hotel websites) for your convenience and information. The hotels on these Maps and list were chosen for their GEOGRAPHIC locations around the Conference venues. We are NOT endorsing or recommending any of these hotels, just giving an overview of possible hotels for ease of travelling to and from our venues.

We have merged a part of our **Map of Conference Venues** with these ones to show the venues as located across the north end of the City. Hence why the hotels were chosen by their geographic locations only. They are all located north of our main highway 401 which spans east/west across of the City.
